

Hot Club d'Afrique Technical Rider

We are a four-piece band and our instrumentation is as follows:

2 x acoustic guitars

1 x accordion

2 x vocals

1 x acoustic bass

1 x violin

The violinist alternates on acoustic guitar and backing vocals, and the vocalist plays the bass.

We usually provide our own condenser microphones. We require phantom power for the microphones we bring and DI for the bass, as well as 6 x XLR cables for the mics.

We'll also require 2 x stage monitors.

The band usually performs seated on bar stools arranged in a semi circle.
